Additional updates

- On 26 September, the CRiT Initiative is hosting a webinar on 'Mobilising finance for regional just transitions from coal' at [Climate Week NYC](#). In this session, policymakers and practitioners, researchers, and finance and civil society representatives will discuss ways to mobilise various sources of finance to enable just transitions away from coal. Register [now!](#)
- We have a number of fresh publications for your autumn reading list, covering topics like [sustainable agriculture](#), [clean hydrogen](#), [industrial diversification](#), and [regional just transition](#) (available in EN and HU).

- Catch up on all the session summaries and key takeaways from the 2024 edition of the [Annual Political Dialogue](#) in Velenje, Slovenia in the event [report](#).
- The [European Climate Pact](#) is supporting changemakers in their climate efforts through its EU Climate Action Academy. In addition to its library of resources, it also offers webinars and courses to help at every level of climate engagement. The first of these webinars takes place on 1 October 2024, and will center on citizen engagement and behavioural change. [Register](#) now and find information about upcoming courses [here](#).
