Dear members,

It is pleasure to invite you to join EEFIG's [policy session](#) at the European Sustainable Energy Week (EUSEW). We would like to see you on site, join our discussions and learn about the latest activities of EEFIG. The session will focus on strengthening energy efficiency for the clean energy transition and energy independence, and the new findings of the [EEFIG working groups](#) will be presented.

To register to our session you will just need to sign up for EUSEW 2023 and then add the session to your agenda.

In the event you cannot make it to Brussels, you will have the chance to follow the live stream of the event – you will need to register in any case!

Celebrate EEFIG with us

We want to celebrate the achievements of EEFIG in the context of EEFIG's 10th anniversary, with also marks the finalisation of this initiative. Therefore, we would like to invite you to join our reception which will take place in the EUSEW premises immediately after the EEFIG policy session at EUSEW to celebrate with us and to have a glimpse on our future activities on energy efficiency financing.

Participation does not require registration, but please let us know if you want to join:
