SRI October: Two Key Events to Mark on Your Calendar

In this edition, we present details on two significant events related to the Smart Readiness Indicator taking place in October. We trust you are enjoying a pleasant summer and look forward to the possibility of seeing you at one of these events this fall.

Events

Smart Readiness Indicator Platform: 5th Plenary meeting

Registrations are now open for the SRI Joint Event, combining the 5th plenary meeting of the SRI platform (morning) with expert talks and roundtables organised by SRI2MARKET (afternoon)

When:  Tuesday 8 October 2024, 09:00 CET - 17:00 CET

Where:  Hybrid meeting. Comet Meetings Louise, Brussels, Belgium

Language:  English

What can you expect? The Smart Readiness Indicator Joint Event will provide a unique opportunity to discuss the smart readiness of European buildings. In-

person participants will have the chance to explore an exhibition showcasing SRI projects funded by the LIFE and Horizon programs throughout the day.

👉 The morning session will feature the 5th SRI Platform Plenary Meeting, providing updates on the latest progress made by the three [Working Groups](#): 1) Member State SRI Test Phase, 2) LIFE Projects Cluster, and 3) Building Sector, Research, and Industry Stakeholders. The session will include updates on EU policies, testimonials from Member States regarding their ongoing official SRI test phases, and insights from industrial stakeholders on the relevance of the SRI to their real estate portfolios.

👉 The afternoon session, organized by the [SRI2MARKET LIFE project](#), will introduce the various tools developed through this initiative, including an SRI online training platform. The session will also feature an interactive discussion with experts and stakeholders from the six participating countries: Austria, Croatia, Cyprus, France, Portugal, and Spain.

As spaces are limited, we recommend registering as soon as possible. We are looking forward to seeing you in Brussels or online !

1st international SRI conference (iSRIC)

The 1st international scientific conference on SRI is scheduled on 14-15 October 2024 in Karlsruhe, organized by the Karlsruhe Institute of Technology (KIT).

This conference will focus on exploring the scientific challenges and solutions related to the Smart Readiness Indicator (SRI). It presents an excellent opportunity for researchers and industry professionals to share their insights with the SRI community. Contributions are welcomed from EU research projects and other relevant public or private sector initiatives.
